SUMMARY

Highly motivated MERN Stack Developer with a strong educational background in Computer Science and hands-on experience in building robust web applications using React, Node, and MongoDB. Proficient in both front-end and back-end development, with expertise in authentication, API integration, and cloud storage. Seeking a challenging role that leverages my skills and passion for building innovative solutions.

EDUCATION

BS Computer Science | Sukkur Institute of Business Administration
2021-2025 | 6TH Semester | **3.45** Out Of **4.00** CGPA

PROJECTS

STUDENT PORTAL SYSTEM

https://student-portal-system.vercel.app
